Health & Safety Policy Statement

St Michael and All Angels, Stoke Prior

St Mary de Wyche, Wychbold

St Michael's, Upton Warren

Our policy, so far as is reasonably practicable, is to provide and maintain safe conditions, equipment and a healthy environment for all who work or visit us at Stoke Prior, Wychbold and Upton Warren. Where beneficial and deemed necessary we will with the assistance of the Diocese seek to provide information, training and supervision to fulfil this policy.

We will also endeavour to ensure, so far as is reasonably practicable, we look after the health, safety and welfare of all members of the congregation, contractors, visitors and others who may visit our churches and churchyards. Our policy and the way in which it is operating will be reviewed regularly at all meetings of the Parochial Church Council (PCC) and appropriate sub-committees.

Health & Safety will be subject to an annual risk assessment undertaken by the Church Wardens with assistance as approved by the PCC. Employees, contractors and voluntary workers will be consulted on a regular basis in order to seek their views on health and safety matters and when undertaking the annual risk assessment.
